Located on the West Coast of the South Island, 2 1/2 hours from Christchurch by road, Brent is the local guide who can give you that fishing trip you have dreamed about. Trout fishing on the West Coast of New Zealand is a real challenge for the fisherman. Whether it be dry fly, nymph spinning or trolling you are sure to enjoy the experience. Moana is on the shores of Lake Brunner and is a great place to base yourself.

By road it takes 2 1/2 hours to get there or try the famous Tranzalpine Express. Once you are there a whole world of lakes, rivers, spring creeks and streams opens up for you.

Sight casting to cunning browns in crystal clear streams, stalking the banks and edges of 5 lakes and more than twenty rivers or streams, all within an hours drive of Moana. This area is a must for your itinerary.

Brent can arrange package deals for 2 or 3 day trips, meet you at Hokitika airport or fit in with whatever your requirements happen to be.

You don't have to be a fly fisherman to enjoy the coast, spinning and trolling can be very productive.

Brent has 2 boats that are purpose built for lake work. Feel free to contact Brent if you would like to learn more about your fishing holiday to the West Coast.

Brent is a member of the NZPG Assn. and his boats are surveyed by a government approved surveyor.
